**Where** Meeting and Hotel Location  
**Embassy Suites by Hilton Brea North Orange County**  
900 East Birch Street  
Brea, California 92821 USA  
tel: +1 (714) 990-6000  
Fax: +1 (714) 990-1653  
*Embassy Suites by Hilton Brea North Orange County*

CSS meeting attendees can reserve a room at the Zodiac II rate of **\$189 USD**. To make reservations, use the weblink:

[http://embassysuites.hilton.com/en/es/groups/personalized/L/LAXBRES-XRN-20171030/index.jhtml?WT.mc\\_id=POG](http://embassysuites.hilton.com/en/es/groups/personalized/L/LAXBRES-XRN-20171030/index.jhtml?WT.mc_id=POG)

Alternately, you can call the hotel directly and use the code “XRN” to make your reservations. The cutoff date for these rates is October 9, 2017.

Note: The preferred rate is only available from October 30 to November 3, 2017. If you need rooms outside this block it is recommended you call the hotel to make these arrangements.

<b>Instructions</b>	<p>Please notify ARINC Industry Activities of your intention to attend by registering online at: <a href="http://www.aviation-ia.com/events/">http://www.aviation-ia.com/events/</a>.</p> <p>Comments or questions regarding any of the agenda items are invited. If you wish any material to be circulated prior to the meeting, please submit your proposals via e-mail to Scott Smith by <b>October 20, 2017</b>.</p> <p>The meeting is open to all interested parties. Individuals requesting time on the agenda should contact Scott Smith. The agenda will be finalized one week prior to the meeting.</p>
<b>Activity Scope</b>	<p>The scope of the activity is to develop standard interfaces that will provide airlines with freedom of choice in the installation and expansion of cabin equipment. Cabin telecommunications, cabin networks, interface protocols, and connector standardization are also a part of this activity.</p>
<b>Meeting Objectives</b>	<p>The CSS and CWG will meet jointly to develop new standards and improvements for several existing standards. The following documents will be developed, discussed, or reviewed at the CSS meeting, pending completion of action items:</p> <ul style="list-style-type: none"> <li>• Initiate work to define multi-gigabit CWAPs in ARINC 628, Part 1</li> <li>• Discuss Draft 1 of ARINC Project Paper 648 to develop guidelines for seat production testing</li> <li>• Review Draft 4 of Supplement 3 to ARINC Specification 664, Part 2 (define 10 Gb Ethernet interfaces)</li> <li>• Discuss Draft 3 of ARINC Project Paper 836A (mini modules for equipment being installed into a modular rack concept)</li> <li>• Discuss Draft 5 of Supplement 1 to ARINC Specification 800, Part 2 (hybrid (copper/fiber optic) connector, 8ax contact)</li> <li>• Discuss Draft 2 of ARINC Project Paper 820 to define cabin network architectures to standardize the provisions for this equipment</li> <li>• Review updated Strawman of ARINC Project Paper 854 to define implementation of 2-wire Ethernet bus for in-seat equipment.</li> </ul>
<b>Travel Information</b>	<p>The three nearest airports to the CSS and CWG meeting site:</p> <ul style="list-style-type: none"> <li>• John Wayne Airport (SNA) ~25 miles</li> <li>• Los Angeles International Airport (LAX) ~45 miles</li> <li>• Burbank Airport (BUR) ~55 miles</li> </ul> <p>Note that the Los Angeles and Orange County area can have congested traffic, at all hours of the day. Please make your own air and ground transportation arrangements.</p>
